Create a self-portrait in the style of Pablo Picasso! Use collage and drawing techniques to add a mouth, eyes, eyebrows, ears, hair, accessories, and background. You can use magazines and colored paper, as well as colored pencils, crayons, or markers to add your favorite colors and patterns!

"Are we to paint what’s on the face, what’s inside the face, or what’s behind it?"
— Pablo Picasso
Create your own word & photo collage inspired by VERNON FISHER

1. Collect pages of words & photos from magazines or newspapers.

2. Cut or tear the pages into different shapes and sizes.

3. Layer the words and photos together and glue on a sheet of paper.

4. Use paint, crayons, markers, and your other favorite materials to draw and color over the photos and words.

The artist Vernon Fisher often uses words and photos he finds in magazines to make collages that are layered with other materials like paint and chalk.
Color in the components of this Checker Taxi cab.

Consider cutting out each shape to assemble into a new car-like form.

MAKE A JOSEPH CORNELL BOX

1. START WITH A CLEAN, EMPTY BOX. YOU CAN USE A SHOEBOX, CARDBOARD BOX, OR WOOD BOX.

2. CUT OUT AND GLUE PICTURES FROM MAGAZINES, NEWSPAPERS, MAIL ADVERTISEMENTS, MAPS, ETC.

3. YOU CAN ALSO PAINT OR DRAW YOUR OWN PICTURES AND GLUE INSIDE THE BOX.

4. ADD DIMENSION TO SOME OF YOUR PICTURES BY GLUING A PIECE OF CARDBOARD IN BETWEEN THE PICTURE AND THE BOX.

5. NOW YOU CAN ADD YOUR OBJECTS. DECIDE HOW YOU WANT TO ARRANGE THEM BEFORE GLUING THEM DOWN.

6. YOU CAN GLUE THEM TO THE BACK OF THE BOX, THE SIDES, AND THE BOTTOM.

7. IF YOU'D LIKE, YOU CAN HANG AN OBJECT FROM THE TOP OF THE BOX WITH A PIECE OF STRING.

8. POKE A VERY SMALL HOLE IN THE TOP OF THE BOX, THREAD THE STRING, TIE A KNOT & HANG YOUR OBJECT!

ENJOY YOUR BOX!
Tip: draw first in pencil, then outline in pen. Erase pencil first.

In art, works like “American Donuts,” artist Julie Bosh: Class: II tape, grid, objects that fit in the palm of your hand, and objects around your house that are alike—things in the same category. Document things to keep. A logo is the identity of an object, a letter, a mark. A badge is an object that is attached to something else. A label is an object that is attached to something else.
HELLO

Look Up

Nancy Graves

"Fra Mauro Region of The Moon" 1972

Look how she used colorful dots and shapes on her painting!

Instead of dots, draw cartoons, symbols, emojis, letters, and numbers. But make them SMALL!

Use all the colors of the RAINBOW!

It looks like the colors are having a party!

Could you do something like this using your own style?

Have a contest with a friend or family member and see who can fit the most things on the paper. Hide things in your drawing and see if they can find it!
1. Make a grid as you paint and/or deeply and calmly breathing slowly and focus.

← Feel free to make several times by going back some lines darker.

← Add a grid on top of the dried paint with the pencil and ruler.

← Of your choice, paint to colors by adding white in very light colors.

← Divide your paper into sections and ruler to use the pencil.

← Acrylic paint, pencil, eraser, pencil sharpener.
